

Studebaker National Meet

LAKES ENTRANCE 2021

Friday April 2nd - Monday April 5th 2021

REVISION 1

The SCCA welcome our friends and visitors to the 2021 National Meet in Lakes Entrance Victoria.

Lakes Entrance is a picturesque Victorian coastal town, 320km east of Melbourne. It is located on the edge of the Ninety Mile Beach, where coastal sand dunes separate the Southern Ocean from the Gippsland Lakes, Australia's largest inland lake system.

Whenever you visit, there is always something to do. Swimming and water sports are appealing in the warmer months; while fishing, dolphin and lake cruises, mini golf, Segway adventures, camel safaris, museums, ocean and lake walks are available to enjoy any time of the year. There is a wonderful selection of seaside shops to browse and cafes in which to relax. You can take a leisurely forest drive to find a winery to sample, heritage home, mountains or caves to explore. You can book a scenic helicopter, tiger moth or joy flight along the coast or hire a bike and follow many of the mountain trails or waterfront pathways. Many will look forward to the Craft and Produce Market on Easter Sunday.

No matter how long you stay, lakes, ocean, mountains;
there is something for everyone.
